Description

TV. Music. Movies. Interactive & Inclusive. All available at the touch of a button via the intuitive mid-ranged designed console. The 10.1" Cardio Console, is derived from extensive research into what captivates and transforms workouts.

The 10.1" Cardio Console provides a compelling workout experience with advanced connectivity. The 10.1" integrated LCD screen features entertainment options, enhanced interaction, workout tracking and more.

Actual product specifications may differ due to manufacturing requirements. Pulse Fitness reserves the right to make changes to its products and services, where it considers necessary.

10" Cardio Console

Cardio Console

Entertainment

Digital TV (Freeview) is integrated as standard and offers 50+ channels for exercisers to consume.

Connection

Optionally, Apple® devices can be connected directly to the console, which lets exercisers, charge their device. Tracking workouts can be achieved through the PulseMove™ Tracker app.

Engaging Courses

Optional - E-Scape interactive courses let exercisers run through terrain in New Zealand like a beautiful beaches or bike ride on their rugged Mountain roads. Vivid scenery can be enhanced by changing the incline or resistance to match the terrain.

IFI

The IFI (Inclusive Fitness Initiative) has helped to shape the thinking of the Product Design team at Pulse. This range includes high contrast visibility for adjustable parts, raised tactile surfaces and auditory support for control buttons on the consoles overlay. Even the frame colours have been carefully chosen to maximise the exerciser's sensory input by contrasting between floor, walls and seat.

Entertainment

Step, U-Cycle, R-Cycle, L-Train & X-Train - Self Power

Run - EU - 220-240V AC, 50/60Hz

Software updates available

Yes.

Operation

Mouldings

The console is surrounded by an injection-moulded casing, these are durable, high impact thermoplastic housings, which seal internal components, protecting the vital parts against dust and sweat, and are easy to wipe clean.
